

NTT DATA

Trusted Global Innovator

We Live for Driving Outcomes That Keep You a Step Ahead

At NTT DATA Services, we live for driving outcomes that keep you a step ahead in this digitally dynamic world. As a division of NTT DATA, a top 10 global services provider, we excel in blending IT and business expertise with decades of industry know-how. And then we roll up our sleeves and get into the trenches with you.

Delivering outcomes that matter ... to you

We deliver the insights, solutions and outcomes to help you navigate and simplify the modern complexities of business and technology. Our deep industry expertise combined with our applied innovations in digital, cloud, analytics and automation deliver the tangible business results you need to be successful.

Offering industry insights and flexible solutions

Our services are designed to help you address today's challenges, and tomorrow's — whether it's to build a self-driving business, streamline IT processes that drive profitable growth and disrupt markets, drive value from mergers and acquisitions, redesign customer and employee experiences, or protect your organization against security breaches. From industry-centric consulting to managed services, our portfolio offers innovative solutions and flexible options to move your business to the next level.

Driving client success

We specialize in strategic, yet practical guidance — from blueprint to delivery and beyond. Our client-first culture means we're an IT services company that actually focuses on service. We stand shoulder-to-shoulder with you to modernize business and technology so your company can focus on excelling in the midst of change to succeed both now and in the future. Our local expertise is backed by an extensive global team. We put the experts where you need them most.

Our Corporate Family Tree

NTT DATA Services is the largest division of NTT DATA and part of the NTT family of companies. When you work with us, you get global scale and delivery power with the local attention you'd expect from a boutique firm. As part of NTT, we have a dedicated team of 6,000 research professionals located in our R&D facilities worldwide and average a \$3.6 billion annual investment in R&D.
